

Fact Sheet

Marina Bay Sands Casino

Marina Bay Sands casino is housed in its own building and offers four levels of gaming in a luxurious, spacious setting. Patrons can enjoy a wide variety of popular table games including roulette, blackjack, baccarat and sic bo, and slot machines featuring the latest games such as video poker, and electronic sic bo and roulette.

Premium players and Paiza members have access to exclusive gaming and dining privileges at the casino's upper two levels, which feature over 30 private gaming rooms.

Paiza is an exclusive, by-invitation club for premium players who receive a unique level of service including a members-only-access bridge linking the casino and hotel. Paiza members enjoy the best of every hospitality amenity available at Marina Bay Sands and the widest range of gourmet food and premium beverages, all delivered through personalized 24-hour service. The Ruby Room is a by-invitation private gaming area for players who meet the average bet and length of play criteria. These guests have access to the Ruby Lounge, which offers light snacks and refreshments.
