

MOTT^{NO.} 32
卅二公館

Mott 32 pays homage to 32 Mott Street in New York, where the city's first Chinese convenience store opened in 1891. The store served as the nucleus for what is now a vibrant Chinatown in one of the most dynamic cities. Our contemporary Chinese restaurant is thus a celebration of Hong Kong culture and culinary tradition.

The provenance of our ingredients is of paramount importance to us as we embrace unique flavours discovered globally. We practice ethical sourcing by using organic and sustainable ingredients, wherever possible, while also working closely with farms to ensure the uncompromising quality of the food our culinary team prepares.

SUSTAINABILITY PHILOSOPHY

Mott 32 has been at the forefront of driving global change and awareness around sustainability for the past decade. Apart from sourcing local produce and creating sustainable and deliciously plant-based menu options, we have also eliminated plastic from take-home packaging by only using compostable materials. Mott 32 strives to reduce energy consumption and lead the charge in the F&B industry to create circular food systems with a low carbon impact.
