

AMERICAN CABERNET SAUVIGNON

Available From Feb. 01 – 29, 2024

Cabernet Sauvignon traces its roots to the Aquitaine region (which include Bordeaux) in France. The grape arrived in California in the mid-1900s, the 1970s were a time of great experimentation in Napa Valley but no better event exemplified all the strides made in the industry than when a Cabernet Sauvignon from Napa beat out French competitors in the 1976 Judgement of Paris. Let's take on a journey and discover the charm of American Cabernet Sauvignon!
