Star-studded DJ line-up takes centre-stage at MARQUEE Singapore, classic billboard tunes dominate AVENUE Singapore on #ThrowbackThursdays

Guest performers at MARQUEE in June and July include (L-R): Danny Avila, PSY.P, Ben Nicky and Peggy Gou

SINGAPORE (12 June 2024) – MARQUEE Singapore will welcome a roster of international music titans to helm its decks over the months of June and July, presenting a repertoire of performances chock-full of crowd-pleasing remixes. At AVENUE Lounge, a throwback party awaits as resident DJs take revellers back in time with classic hits from the late 90s and early noughties.

MARQUEE Singapore presents a star-studded line-up of guest performers

Dance music enthusiasts can look forward to high-octane performances by the likes of Spanish DJ prodigy Danny Avila, Chinese hip-hop icon PSY.P, world renowned DJ and producer Ben Nicky, as well as famed South Korean-born tech house DJ Peggy Gou.

On 15 June, Spanish and electro house DJ and producer Danny Avila is set to fuel the mainstage with his unique brand of techno. Avila, who made his international debut in 2021 at dance music festival Tomorrowland, is known for inventing a subgenre of techno music known as “Mainstage Techno”, which features the sound of underground music with bolder, hard-hitting beats. At MARQUEE, Avila will prove his mettle with his set of explosive tracks showcasing his trademark Hardstyle.

Following Danny Avila’s performance, PSY.P makes an exciting return to MARQUEE on 22 June. A rap music prodigy in the Chinese hip-hop music scene, PSY.P, who has made a name for himself as part of Chinese hip-hop quarter Higher Brothers and as a solo artiste, is set to bring his stylized brand of rap to the mainstage. This June, PSY.P will showcase his vocal dexterity and rapping chops through his high-energy tracks.

Next in the line-up of renowned guest performers is DJ and producer Ben Nicky, who will rule the dancefloor with his Trance and Hardstyle anthems on 13 July. As one of the most highly sought after electronic music artists of all time, Nicky has collaborated with industry luminaries such as Sting and David Guetta, and has made his mark on the global music events circuit.

Following a sold-out show at MARQUEE last year, South Korean-born DJ, producer and fashion icon, Peggy Gou, will return to the night club on 19 July. The tech house wunderkind has carved out a prominent place in the electronic music landscape, and has even become a regular

headliner at major music festivals and clubs around the world. Gou's return to MARQUEE is set to present a captivating performance loaded with infectious grooves.

MARQUEE rings in 1st Anniversary for resident DJ night AstroLab

MARQUEE Singapore rings in 1st anniversary celebrations for its resident DJ night AstroLab

On 6 July, MARQUEE will be ringing in the 1st anniversary for its themed resident DJ night *AstroLab*, with celebrations anchored by the nightclub's very own resident DJ Nash D, along with a supporting performance by Swedish DJ Kaaze.

True to its theme, the anniversary celebrations will see the venue transform into an astral realm through stunning, cutting-edge visuals on a massive screen that frame the DJ booth, inviting partygoers to traverse through the stars. DJ Nash D will amp up the party with remixes of crowd-favourite singalongs, while DJ Kaaze, a mentee of legendary Dutch DJ Tiësto, spins remixes of progressive house anthems.

Nash D was the latest addition to MARQUEE's resident DJ team, and started his career in the nightlife circuit when he was 17. He has since amassed a trove of experiences from deejaying at major clubs and music festivals across the region, including at Ultra and ZoukOut Music Festivals. Before helming *AstroLab* at MARQUEE, he fronted some of the most successful club nights in Singapore, including *Sin City*, a signature hip-hop night at Zouk, and *Thursday Night Hustle*, Capital's weekly ladies' night.

Apart from its weekly roster of high-caliber performances by some of the biggest acts in the world, MARQUEE's other resident DJs FVDER, PARTYWITHJAY, and Zippy, have also made a name for themselves in the local music scene with multiple curated themed nights that are rising in popularity amongst local club-goers. From trance music to techno and hip-hop, these resident DJ nights span an array of genres that cater to every partygoer's music taste.

Wonderland features upbeat remixes of billboard bangers, featuring Mr J and MARQUEE's resident DJs. Mr J is a rising star in the local DJ scene, having scored remarkable achievements including clinching runner-up in *Phuture DJ Battle* and entering the final round of *Red Bull 3Style Singapore*. In the June edition of *Wonderland*, the themed night will feature high-energy sets from

resident DJs FVDER and Nash D. FVDER's sets often present an extensive range of musical selections, laced with his signature remixing style. He is recognised as one of the first pioneering Singaporean DJs to introduce underground hip-hop and Asian Trap music into the local nightlife scene.

Revellers seeking an enthralling experience can look forward to *Utopia*, which features trance music with pulsating rhythms and celestial melodies, and a unique style that seeks to usher in a new era of 'Future Rave'. Zippy has garnered the attention of music lovers for his talent and eclectic selection of dance music. Prior to MARQUEE, he has made several appearances alongside renowned local and regional DJs in Zouk, and he has now cemented himself as one of the most respected DJs in the local dance music scene.

The newest addition to the roster, *Cirque*, serves up a night of bass house and tech house beats inspired by the theatrical allure of the circus. Partygoers can join the Cirque jive led by resident DJ PARTYWITHJAY, who is known for his creative remixes of crowd favourite tunes. He has performed alongside prominent acts such as Lil Jon and DJ Jazzy Jeff, and has also spun at prestigious international nightlife venues across London, Spain, and the Netherlands.
