LAVO Italian Restaurant & Rooftop Bar

Introduction

Set atop the iconic Sands SkyPark at Marina Bay Sands, LAVO Singapore – featuring an Italian American restaurant, a luxurious lounge and live DJ sets - showcases Tao Group Hospitality's first Asian outpost of its famed Las Vegas and New York City concept.

Outfitted with reclaimed subway tiles and exposed bricks, a massive wooden wine cabinet and antique mirrors, LAVO Singapore channels a 19th century Italian American restaurant complete with a sprawling wraparound outdoor terrace. The vibrant terrace features subtle lighting, a light timber trellis, an outdoor bar and a gelato cart. Each element of the space – from the curved tiled bar with panel detail to the classic LAVO round leather booths – converges to create the ultimate experience in dining and nightlife.

Since its launch in January 2018, LAVO Singapore has regularly hosted special events with guest performances from A-list stars including American hip-hop legend and songwriter Jermaine Dupri. It has also attracted celebrity guests including pop icon Mariah Carey, singer-songwriter The Weeknd, model Bella Hadid, actress Priyanka Chopra, singer Nick Jonas, world-renowned DJs Tiesto and Steve Aoki, and football legend David Beckham.

LAVO's restaurant menu, created by Tao Group Hospitality partner and chef Ralph Scamardella, is complete with all its greatest hits including penne a la vodka, linguini with clam sauce, large meatballs and chicken parmesan.
