Origin + Bloom

Introduction

Unveiled in September 2019, Origin + Bloom is a one-stop European-inspired pâtisserie that charms with a diverse array of artisanal bakes, gourmet sandwiches and coffee.

Located in the lobby of the iconic Marina Bay Sands hotel, Origin + Bloom is set against the backdrop of a lush garden oasis, boasting a space that embraces café culture with its relaxed, street-like façade yet luxurious interior designed by award-winning interior design firm Joyce Wang Studio.

Guests can enjoy original creations by Chef Antonio Benites, the integrated resort’s executive pastry chef, such as the signature mango, a vibrant dandelion-hued cake shaped like the fruit that incorporates fresh nam doc mai mango, passionfruit-lychee jelly and a touch of Sarawak pepper, as well as salted chocolate orange cake, a two-layered rich chocolate cake shaped like a cocoa bean and coated in a sheer veil of cocoa powder. Also available at Origin + Bloom is a series of innovative handcrafted pastries like the sweet dumpling and hojicha bubble tea, as well as freshly baked viennoiseries like the black sesame mochi bun and otah-otah bun. Wholesome grab-and-go meal options such as premium sandwiches, fresh salads and yoghurt parfaits are great for those on the go, in addition to vegan options such as the svelte, a bed of roasted vegetables and creamy hummus in flourless bread.

Coffee lovers can look forward to savour classic and contemporary brews made from handpicked coffee beans and unique brewing methods, or choose from modern concoctions such as the Origin + Bloom mazagran, a cold drip coffee with lemon juice, and the iced esotonic, a refreshing blend of espresso and tonic water. The pâtisserie's delightful beverage menu also carries a wide variety of artisanal tea blends, all-time favourites such as the green tea latte and dirty chai, as well as healthy Kombuchas, cold-pressed juices and fizzy organic colas.

The Team
