

Fact Sheet

Origin + Bloom

Introduction

Origin + Bloom is a one-stop European-inspired pâtisserie that offers a diverse array of artisanal bakes, gourmet sandwiches and coffee. Operated by Marina Bay Sands, it has three locations across the property, namely the lobby of Hotel Tower 3 and Sands Expo & Convention Centre (Levels 1 and 3).

Unveiled in September 2019, its flagship outlet is located in the lobby of the iconic hotel, set against the backdrop of a lush garden oasis. Designed by award-winning interior design firm Joyce Wang Studio, Origin + Bloom offers a space that embraces café culture with its relaxed, street-like façade yet luxurious interiors. Guests can enjoy picture-worthy creations such as the *mango*, a vibrant dandelion-hued cake shaped like the fruit that incorporates fresh nam doc mai mango, passionfruit-lychee jelly and a touch of Sarawak pepper, as well as a series of innovative handcrafted pastries like the *bubble tea* and freshly baked viennoiseries like the *bak kwa croissant*.

Wholesome grab-and-go meal options are available as well, from gourmet sandwiches like *lobster & prawn roll with truffle* and *BBQ Impossible™ sandwich* to fresh salads and yoghurt parfaits. Coffee lovers can look forward to savour classic brews or choose from modern concoctions such as the *Speculoos latte*. The pâtisserie's delightful beverage menu also carries a wide variety of artisanal tea blends, kombuchas, cold-pressed juices, and bottled beers and wines.
