Renku Bar & Lounge

Introduction

Renku Bar & Lounge is Marina Bay Sands’ premium hotel and bar lounge offering guests all-day dining and beverage options. Inspired by the Japanese linked-verse poetry art form, Renku exudes elegance through its oak and lush furnishings, with shades of bronze and grey for a touch of modern magnificence.

The crown jewel of Renku is its revolutionary afternoon high tea. Guests can choose to savour an array of 13 unique tea blends, including the exclusive mellow Marina Pearls and the King of Fruits blend Durian Lapis, or customise their own tea by pairing their favourite tea base with fresh herbs and flowers from Marina Bay Sands’ own herb garden. A medley of savoury bites and sweet treats from the three-course afternoon tea menu completes the afternoon high tea experience.

At night, Renku transforms into an intimate lounge and bar offering a wide range of signature cocktails, locally crafted draft beers, and innovative concoctions. Exclusively available at Renku are tea-infused cocktails such as Marina Bay Pearls, made using London dry gin, peach liqueur, marina pearl tea and homemade lemongrass and ginger syrup, as well as Shiso Mojito, a nectarous combination of umeshu, yuzu sake, absinthe, Okinawa brown sugar and ginger beer. Guests can also look forward to a series of locally-inspired cocktails, such as Rojak, a unique medley of rojak gin, koko kanu coconut rum, pineapple and lime juice, with hints of chilli padi that celebrates the diverse food cultures at Lau Pa Sat, and Rosella Lassi, a classic yogurt-based tipple with notes of curry and rose, which pays tribute to the gastronomical artistry of Little India. Guests can pair the tipples with bar bites such as the soft-shell crab mantou and crispy mid-joint chicken wings.

Also available all-day is Renku’s a la carte menu, which offers guests an array of Asian-inspired dishes and local fare. Highlights include the Singapore style hokkien mee, simmered in rich stock and served with succulent prawns, squid and pork belly. Renku also serves a daily breakfast menu, featuring healthy options such as the homemade raisin & buckwheat pancakes with caramelised bananas, clotted cream, macadamia nuts and maple syrup, as well as avocado on rye toast.
