## ***Sands Live* returns in 2015 with Michael Bublé**

**Singapore** (2 December 2014) – Marina Bay Sands' series *Sands Live* makes a sizzling return in 2015 with four-time Grammy Award winning singer-songwriter Michael Bublé on 16 and 17 January. Bublé is the next headlining act to be presented by *Sands Live*, a live concert series that will feature some of the world's biggest artists performing in the intimate, state-of-the-art entertainment venues at Marina Bay Sands.

Tickets to the highly anticipated performances at Sands Grand Ballroom go on sale on 5 December at 10:00am via [www.MarinaBaySands.com](http://www.MarinaBaySands.com) with a special priority booking release for Sands Rewards Lifestyle members from 10am on 3 December.

*Sands Live* concert series kicked off with The Rolling Stones—14 On Fire Tour on 15 March 2014. Tickets to the performance by iconic rock band The Rolling Stones were snapped up in just two and a half hours. The concert featured just over 5,500 seats and a performance stage that extended into the audience. This setting provided fans with the chance to experience the rock and roll legends in a club-like setting in the finale of their Asian tour, which included performances at some of Asia's largest stadiums and arenas.

Similarly, Michael Bublé will feature a distinctive layout befitting the venue and unique to Marina Bay Sands. The Canadian singer will perform in a custom-built stage that will include a secondary stage in the center of the audience and allow the charismatic singer to interact with the crowd, giving fans an intimate experience that is synonymous with his genre of jazz music. The setup will be designed to fit the size of the crowd, enabling each seat to come with a great vantage point. Special souvenir tickets will also be provided to all ticket holders.

Mr. George Tanasijevich, President and Chief Executive Officer of Marina Bay Sands, said, "We are proud to present Michael Bublé as the next headlining act in our *Sands Live* series which kicked off with the successful Rolling Stones concert this year. Michael Bublé is a great performer and his concert at Marina Bay Sands will no doubt bring his fans closer to the man himself."
