MARINA BAY SANDS EXPO & CONVENTION CENTRE

Marina Bay Sands Expo & Convention Centre is Singapore's largest and most versatile meeting space, featuring 1.3 million sq ft of flexible space, 250 meeting rooms, the region's largest ballroom and the capacity for 2,000 exhibition booths. In all, the venue at Marina Bay Sands can accommodate up to 45,000 delegates at one time.

Since 2010, the integrated resort has welcomed more than 2,700 new-to-Singapore MICE events. It has also built a strong pipeline of returning shows, with an annual average of 50 per cent repeat events. In 2024, the Expo & Convention Centre hosted more than 2,200 events and welcomed more than 1.2 million attendees.

Marina Bay Sands' leadership in MICE has been recognised through numerous accolades, including being a nine-time winner of the 'Outstanding Event Venue Experience' award accorded by the Singapore Tourism Board from 2012 to 2023, and the 'Venue of the Year' award at the Singapore MICE Awards in 2023 and 2024.

First-of-its-kind Bay Precinct Strategy and Partnerships

- Marina Bay Sands launched the Bay Precinct Strategy in 2022 and expanded it in 2023, into an ecosystem of 12 hotel brands with over 8,000 rooms, 10 world-class attractions and restaurants with a collective 18 Michelin stars around the Marina Bay precinct. This suite of hospitality providers, attractions, dining experiences and retail malls allows the Expo & Convention Centre to offer a wider range of experiences to clients, customising packages that meet each event's needs.
- Beyond partnering establishments around precinct, the integrated resort continues to ink and expand partnerships with noteworthy players.
 - A three-year Memorandum of Understanding was signed with National Arts Council in 2023, turning the resort into a canvas for the arts. As part of the arts partnership, a local music playlist with over 50 songs was launched at the expo & convention centre in 2024, shining the spotlight on home-grown singers. A partnership was signed between

FACT SHEET

Singapore Tourism Board and UOB, culminating in a dazzling drone show display over Lunar New Year and dozens of attractive promotions around the precinct in 2024, enticing business visitors to explore Marina Bay.

- Beyond Singapore, a three-year Memorandum of Understanding was signed with the Professional Convention Management Association (PCMA) in January 2025 to support the next three editions of PCMA Asia Pacific's The Business of Events from 2025 to 2027. This is an expansion of a longstanding partnership with PCMA, which leverages the collective strength and expertise of Las Vegas Sands' properties in Singapore and Macao, addressing critical topics such as sustainability, innovation, technology, talent development and audience engagement.
- Catering to the rising trend of infusing wellness into travel, the Expo & Convention Centre teamed up with BEAMexperience to launch THRIVE, a holistic wellness programme to enhance physical, mental and intellectual wellbeing of delegates, in September 2024. Clients can choose classes from Sound Meditation, Soul Flow and Yoga Flow Stretch, to Energy Forecasting, which features practical exercises designed to help clients manage burnout and enhance productivity.

State-of-the-art Facilities – Hybrid Broadcast Studios and Virtual Meeting Place

- As a leader in tech innovation, Marina Bay Sands continuously embraces emerging technologies to elevate the end-to-end meeting journey and experience. It launched the state-of-the-art Hybrid Broadcast Studio in August 2020 to cater to the demand in hybrid events, and the Virtual Meeting Place in October 2021 to enable clients to move towards an omnichannel future.
- The three Hybrid Broadcast Studios offer broadcast-quality live-streaming capabilities and hologram functionalities in an immersive environment for both live and virtual audiences and other features such as:
 - A cutting-edge three-dimensional stage fitted with an immersive backdrop and floor that can be reconfigured to fit every event's needs.
 - Stage lighting systems which can be customised, designed and operated to fit an event's specific needs.
 - Three virtual conferencing options – full virtual webcasting and live streaming events; hybrid events with in-person and online audiences; and hybrid events with holographic telepresence. One of the studios offers a full-fledged Extended Reality (XR) hybrid events solution

FACT SHEET

- The Virtual Meeting Place allows event organisers to continuously engage their communities all year long beyond a once-a-year event through features such as:
 - A fully customisable interface that allows organisers to scratch-build their virtual venue set and replicate real-life event spaces at Marina Bay Sands
 - The Plenary, which serves as an exhibition space and allows live events to be simultaneously broadcasted worldwide
 - The Library, which enables attendees to access the events' most impactful moments on-demand
 - Breakout Rooms for attendees to form one-on-one and group meetings for knowledge and idea exchanges
 - Functions such as interactive elements, chatbots, quizzes and live polls, to fully integrate the online experience with offline events
 - Data analytics functions for tracking and optimising audience trends and satisfaction

Sustainable Events

- As one of Asia's leading sustainable venues, Marina Bay Sands Expo & Convention Centre holds triple platinum certification from leading bodies such as the Building and Construction Authority, Events Industry Council, and U.S. Green Building Council, on top of an ISO20121 Event Sustainability Management System certification. It is the first meetings venue in Southeast Asia to receive the latter two accolades. The Expo & Convention Centre is also Singapore's first fully offset MICE venue, allowing clients to organise environmentally conscious events with ease.
- Over 100 Sales and MICE Team Members have attained the Event Industry Council's Sustainable Event Professional certification in 2024, making Marina Bay Sands one of the largest teams in the industry to be accredited in sustainable event management.
- Sustainability measures include:
 - Dedicated Sustainable Event Advisory Services to help clients develop sustainable meetings using the Sands ECO360 Meetings Planning Tool.
 - A post-event Sands ECO360 Event Impact Statement which captures an event's sustainability highlights and provides a comprehensive summary of energy and water consumption.
 - The sub-metering of MICE floors which allows organisers to effectively track energy usage across specific areas.

FACT SHEET

- Locally and regionally sourced ingredients as well as plant-based alternatives in banquet menus. Herbs and leafy greens from two on-property Herb Gardens and a mobile hydroponics system offer greater convenience to chefs preparing for banquets.
- Upcycled products that complement a client's event such as a circularity lectern created from upcycled PET bottles and paper, banquet table number plates made using wine corks from Marina Bay Sands' restaurants, and menu cubes and dietary tags crafted from upcycled chopsticks.

Centre Highlights

- Five floors of exhibition and convention space
- Up to 2,000 exhibition booths and 250 meeting rooms
- Able to accommodate up to 45,000 delegates
- A comprehensive one-stop event and exhibition solution provider that offers services ranging from technical needs such as audio-visual equipment, stage set-up and logistics
- Offers the region's largest ballroom – Sands Grand Ballroom – at over 86,000 sq ft. Located on Level 5, it can seat up to 6,000 diners for a banquet or up to 8,000 delegates for a theatre-style convention. It can also be configured into 16 rooms to hold smaller groups of a few hundred people.
- Roselle-Simpor Ballroom (Level 4) can accommodate mid-sized groups of up to 2,000 delegates reception-style

The Right Fit for Every Event

- Marina Bay Sands has the perfect space for every event, whether it is a meeting for 10,000 or a party for 10.
- In addition to Marina Bay Sands Expo & Convention Centre, other unique venues include:
 - Sands SkyPark for cocktail parties or intimate dinner receptions
 - Event Plaza for large-scale outdoor carnivals, festivals or welcome receptions
 - Sands Theatre for product launches, presentations or conferences
 - Celebrity chef and signature restaurants for cocktail parties, intimate dinner receptions, dine-arounds or launches
 - ArtScience Museum for opening ceremonies, product launches, conferences or cocktail parties
 - Lifestyle and entertainment concepts, MARQUEE Singapore and AVENUE Singapore for after-parties

FACT SHEET

- Over 100 Sales and MICE Team Members are certified in Event Design Canvas (EDC), a methodology that allows event planners to design experiences based on specific outcomes for stakeholders. The EDC has been embraced by Marina Bay Sands clients worldwide, from Las Vegas, Los Angeles and Sydney, to Frankfurt, London and Zurich.
