## Asia's Premier Luxury Shopping Destination

- With close to 800,000 square feet of retail space and 270 boutiques and dining concepts, The Shoppes at Marina Bay Sands has transformed the retail landscape in Singapore with the country's first large-scale luxury shopping mall in the heart of the Central Business District.
- The Shoppes is home to more than 170 luxury and premium brands spanning across bespoke menswear, women's collections, luxury children's labels, as well as luxury watch and jewellery brands.
- The mall also boasts an unprecedented assembly of 19 luxury duplex stores, many of which are the brands' biggest stores in Singapore – this is the largest collection of duplexes in Singapore today.
- Shoppers can experience a refreshing mix of international luxury brands, emerging labels and new concepts, including Apple's first and only store in the world to sit on water, and the world's first Louis Vuitton Island Maison.
- Natural sunlight bathes the passageway of the mall, illuminating the interiors through magnificent glass windows. Other innovative concepts include a 150-metre canal, which takes visitors on a sampan boat ride through the retail belt, and the *Digital Light Canvas*, a multi-sensory permanent attraction located at the North Promenade of the mall.

## Shopping Concierge
