## Introduction

The Club Bar & Lounge is Marina Bay Sands' signature hotel and bar lounge nestled in the heart of the iconic hotel's grand lobby. Inspired by traditional collaborative poetry, The Club exemplifies the artistic expression of nature through its oak and lush furnishings. Recently refreshed with a calming blend of blue, beige, and grey hues, The Club features a soothing atmosphere that is perfect for all guests.

Its interior evokes a touch of modern elegance, where every experience is specially handcrafted down to the last detail for your enjoyment. Whether you're visiting for a casual business meeting, a leisurely catch-up or simply unwinding at the end of the day, The Club presents endless opportunities for you to reveal around every corner.

Wander away with a pour alongside a food menu that journeys guests across the world, from Mediterranean-inspired delights such as mezze platter comprising hummus, crisp vegetables, olives and warm pita bread and lamb kebabs, nachos with Sichuan beef, to American mini wagyu beef sliders. Satisfy cravings with all-time local favourites like chicken satay, char kway teow and laksa.

As evening falls, soak in groovy live performances every Thursday to Saturday, with a tipple in hand while lounging on plush seats. The Club's bespoke gin trolley service allows guests to curate their very own locally inspired Gin & Tonic with a delightful array of garnishes alongside an extensive beverage menu featuring over 60 spirits, 30 wine labels, draft beers and inventive cocktails inspired by the region.
