Marina Bay Sands releases limited-edition coffee table book to mark its first decade in Singapore

Singapore (15 March 2021) – Marina Bay Sands has launched a limited-edition coffee table book titled *Marina Bay Sands: The Vision, The Evolution, The Future* to commemorate its first decade of operations in Singapore.

The 178-page hardcover book consists of four main themes – *By Design*, *Face Time*, *Front Row* and *In Focus* – each focusing on a different aspect of the Integrated Resort (IR) while offering unique insights into the people and thinking behind its operations.

“We have prepared this book to commemorate the legacy of our late founder, Mr. Sheldon G. Adelson, and our 10 successful years of operations in Singapore. While our unique IR business model has been instrumental to Marina Bay Sands’ success, we have also made countless adjustments and improvements to our infrastructure and operations to keep us ahead of the curve over the last decade. We hope the book will serve as a visual time capsule which celebrates our key milestones with our Team Members, partners and guests,” said George Tanasijevich, Managing Director, Marina Bay Sands.

The book recounts key moments of Marina Bay Sands’ journey, from its early construction years to its progressive openings from 2010 to 2011. In *By Design*, interview excerpts with S. Iswaran, Minister for Communications and Information and Minister-in-charge of Trade Relations, Keith Tan, Chief Executive of Singapore Tourism Board, and Lim Eng Hwee, URA
