## Marina Bay Sands Hotel & Sands SkyPark

Marina Bay Sands Hotel consists of three unique hotel towers crowned by the magnificent Sands SkyPark. With approximately 1,850 luxurious rooms and suites, Marina Bay Sands Hotel is the biggest hotel in Singapore and one of the busiest. Its stunning architecture has been featured in countless documentaries, movies and media space. On social media, Marina Bay Sands also consistently ranks among the most Instagrammed hotels in the world.

### Marina Bay Sands Hotel at a Glance

- Approximately 1,850 luxurious rooms and suites over 55 floors, offering spectacular views of the South China Sea or Marina Bay and the Singapore skyline.
- An array of dining experiences at the hotel include:
  - *RISE*, an international buffet restaurant offering breakfast, lunch and dinner.
  - *Renku Bar & Lounge*, the hotel's lobby lounge serving an all-day à la carte menu.
  - *Origin+ Bloom*, a European-inspired patisserie concept offering a diverse array of artisanal bakes, gourmet sandwiches and coffee.
  - *WAKUDA*, a Japanese restaurant created by two-Michelin-starred chef Tetsuya Wakuda and award-winning restaurateur John Kunkel of 50 Eggs Hospitality Group.
  - *Blossom*, a fine-dining Chinese restaurant.
  - 24-hour In-Room Dining, which offers an extensive menu selection.
- Award-winning Banyan Tree Spa Marina Bay Sands is located at Tower 1, Level 55.

### Design Highlights

- The hotel has sloping towers and straight legs connected at Level 23 to form a single building.
- In Tower 1, the slope is as steep as 26 degrees, making it one of the most complex hotels ever built.
- During its construction phase, Marina Bay Sands built one new hotel floor every four days, the fastest pace ever for a development of this scale in Singapore.

### The Best Views of Singapore – Sands SkyPark

The Sands SkyPark is an architectural masterpiece sitting on top of the three hotel towers at Marina Bay Sands. This 1.2-hectare tropical oasis is longer than the Eiffel Tower and is tall and large enough to park four-and-a-half A380 jumbo jets. It extends to form one of the world's longest public cantilevers.

Sands SkyPark:

- Built at the height of 200 metres.
- Its lush, landscaped gardens are home to more than 700 trees and palms.
- Offers a total of 12,400 square metres of space—big enough to fit three football fields.
- A ticketed public observation deck that can host hundreds of people.
- Hotel guests have the exclusive use of a 150-metre infinity swimming pool, the world's largest outdoor pool at that height.
