ArtSciMuseum

The iconic lotus-inspired ArtScience Museum at Marina Bay Sands is a living and breathing embodiment of Art and Science.

Through exhibitions, events, performances and educational activities, the Museum explores creative processes at the heart of art, science, technology and culture, and their far-reaching influence in the world we live in.

Since its opening in 2011, it has been home to some of the most renowned exhibitions including *Titanic: The Artifact Exhibition*, *Andy Warhol: 15 Minutes Eternal*, *Da Vinci: Shaping the Future* and *DreamWorks Animation: The Exhibition*.

ArtScience Museum was awarded TripAdvisor's Certificate of Excellence in 2015.

All information is correct at the time of print and is subject to change.

PUBLIC GUIDED TOUR

ENGLISH:

Family Fridays - 13 & 27 Jan, 10 & 17 Feb | 3pm - 4pm

Sunday - 8 & 15 Jan, 5, 12 & 19 Feb | 11:30am - 12:30pm

MANDARIN:

Sunday - 8, 15 & 22 Jan, 5, 12, 19 & 26 Feb | 2pm - 3pm &

4pm - 5pm

Humans are driven to explore the unknown and challenge the boundaries of what we know. Journey through the story of space exploration in this guided tour, as we learn about and celebrate some of the most extraordinary innovations in space technology and scientific achievements in human history.

Complimentary to ticket-holders of NASA - A Human Adventure.

SPACE QUEST WORKSHOP

Family Fridays - 13 & 27 Jan, 10 & 17 Feb | 4:30pm - 5:30pm

Get ready for your mission to outer space by completing a series of exciting and hands-on activities in this one-hour workshop. Race against time and find out if your space agency has what it takes to launch a space mission.

\$8 per participant. Other Terms and Conditions apply.

For more information on the programmes, please refer to MarinaBaySands.com/ArtScienceMuseum

ARTSCIENCE ON SCREEN

ArtScience on Screen explores the intersection between art and science using moving image, video and film.

This rolling programme includes solo showcases, curated programmes, feature-length films, multi-screen presentations and creative documentaries, featuring exciting filmmakers and artists from Singapore and beyond.

WATER

9 - 22 Jan 2017

As the source of all life, water is essential to human survival but can also have devastating and destructive power. This curated series of 7 feature-length narrative films covers themes as broad as climate change, ocean conservation, cultural heritage, memory, play, romance and death.

Featured filmmakers: Sherman Ong | Apichatpong Weerasethakul | Woo Ming Jin | Charliebebs Gohetia | Nghiem-Minh Nguyen-Vo | Kamila Andini

For more details, please refer to MarinaBaySands.com/ArtScienceMuseum

ARTSCIENCE LATE

Every third Thursday of the month | 7pm - 10pm

Shake off your mid-week doldrums and enjoy free performances, late exhibition viewings and special 1-for-1* entry to exhibitions. See a different side of the museum after regular hours where exploration and experimentation are de rigueur of the night.

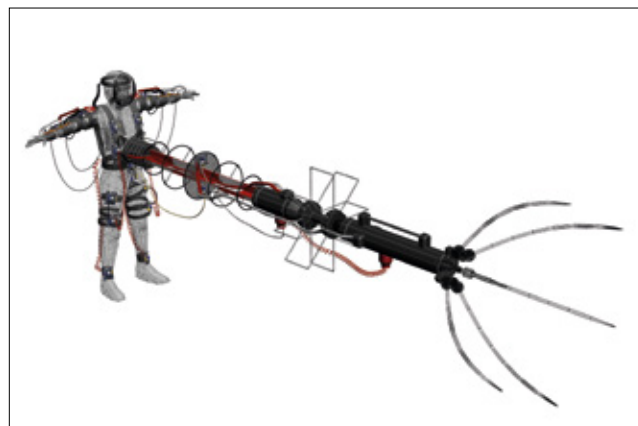

ArtScience Late performance programme is free. Register in the lobby.

*Terms and Conditions apply.

LISTENING FOR THE DARK

19 Jan | 8pm

Fascinated by life outside of Earth, Indonesian artist Venzha Christ uses his body as a transmitter to send and receive signals from space. What will we hear?

MARSBAND

16 Feb | 8pm

Led by Carter Emmart and Keith Patchel, MARSBAND will take us on a magic carpet ride on Mars, where we will discover new frontiers while live scoring to recreate the fantastical atmosphere of life in space.

For more details, please refer to MarinaBaySands.com/ArtScienceMuseum

SUNDAY SHOWCASE

Tinker with cutting-edge projects undertaken by various tertiary institutions across Singapore at *Sunday Showcase*, and interact with their creators as they share creative insights into art, science, design and technology.

SINGASTRO

Saturday - 18 Feb | 1pm - 7pm | Stargazing at 10pm
Sunday - 19 Feb | 10am - 7pm

Get ready for a weekend filled with sun and star gazing. Listen to the sound of space and see how astronomical instruments have evolved. Learn all you need to know about space in one weekend!

Admission is free. Register in the lobby.

SPECIAL EVENT

QUANTUM SHORTS 2016

Saturday - Tuesday | 25 - 28 Feb

Last year, *Quantum Shorts 2016* invited submissions for its short film festival. Films submitted were inspired by or related to the themes and ideas of quantum physics, using the field's science, history, philosophy or technology as a springboard for narrative or abstract films of no more than 5 minutes in length.

Run by the Centre for Quantum Technologies at the National University of Singapore, up to 10 shortlisted entries will be chosen for screenings at venues including Singapore's ArtScience Museum, the Gallery of Modern Art in Brisbane, Australia and Glasgow Science Centre in the UK.

Admission is free.

For more details, please refer to MarinaBaySands.com/ArtScienceMuseum

CONVERSATIONS

Conversations is a series of talks where esteemed speakers and industry leading artists take centre stage and share their passion and knowledge on various thought-provoking topics.

WHERE IT ALL BEGINS

Saturday - 21 Jan | 2pm

As part of the Art & Science of Space season and in celebration of the 60th Anniversary of the Space Race, join Laurence Chin, Country Manager at United Airlines, as he shares some of his personal experiences working for one of the innovative pioneers in commercial aviation.

INSIGHTS TALK WITH VENZHA CHRIST

Saturday & Sunday - 21 & 22 Jan | 11:30am

Join us for a unique chance to hear Indonesian artist, Venzha Christ, as he shares what triggered his fascination with space, how art has enabled him to express his curiosity and how he is reaching out to deep space from Earth. You may also check out his art installation, *Indonesia Space Science Society*, which is an addition to the exhibition, *NASA - A Human Adventure*. It presents radio waves from space, sent and collected through self-made radio antennae gathering precise data from astronomical objects in space.

Admission is free. Register in the lobby.

For more details, please refer to MarinaBaySands.com/ArtScienceMuseum

FABCAFE

Sample laser-cut cookies, experiment with 3D printing, and learn about how technology is changing how we make things. Bringing together art, creativity and technology, FabCafe organises programmes, lectures, workshops and gatherings for students, young entrepreneurs, designers and children of all ages.

DESIGN YOUR OWN: SPACE ROCKET

Saturday - 14 & 21 Jan | 2pm - 5:30pm

Design your own laser-cut space rocket using our software, fix an LED light bulb and a light switch onto it, and turn it into a unique night lamp you can use!

For ages 15 and above. \$180 per participant.

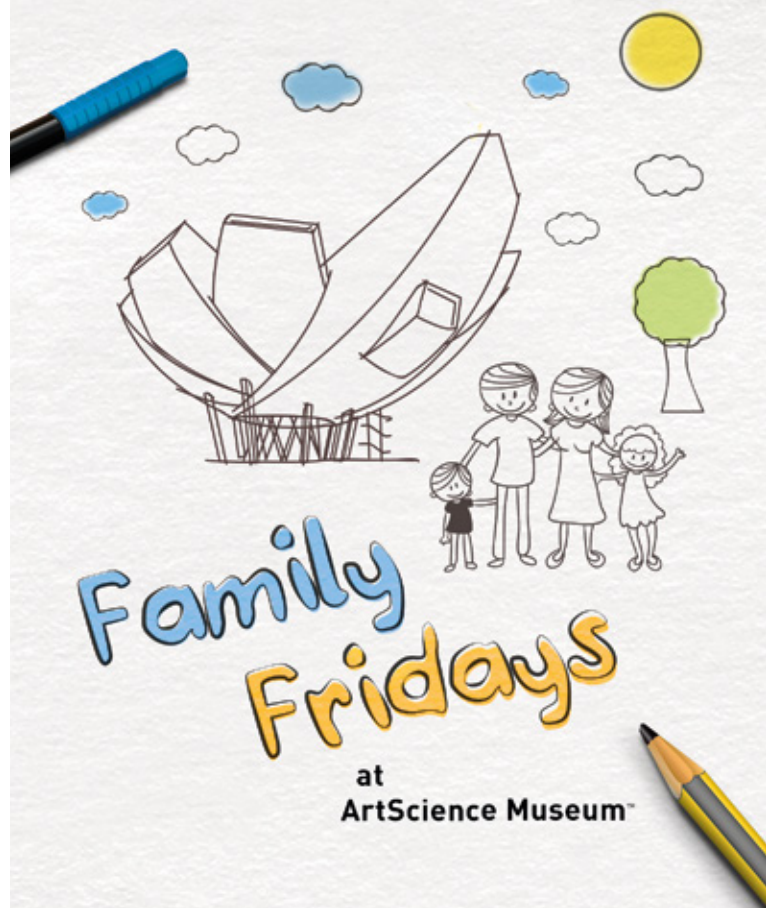

FABKIDS! MAKE YOUR OWN: VR SPACE HELMET

Saturday & Sunday - 11, 12, 26 & 27 Feb | 2pm - 4pm

Ever wondered what it's like to be an astronaut? Create your own virtual reality helmet out of cardboard, and explore the galaxy from your room! Kids can design their own VR helmets to experience the planets, the stars, and the universe with a stargazing VR app.

For ages 5 and above. Kids under 12 years old must be accompanied by an adult at all times. \$30 per participant.

For more details, please refer to MarinaBaySands.com/ArtScienceMuseum

The museum makes Fridays fun and inspiring for families. Have a great bonding time and embark on an exploratory learning process!

Look forward to:

- ✓ **Free entry for 4 children with every adult ticket purchase**
