ArtScience Museum is a smoke-free property.

The iconic lotus-inspired ArtScience Museum at Marina Bay Sands is a living and breathing embodiment of Art and Science.

Through exhibitions, events, performances and educational activities, the Museum explores creative processes at the heart of art, science, technology and culture, and their far-reaching influence in the world we live in.

ArtScience Museum was awarded
TripAdvisor's Certificate of Excellence in 2017.

Let our virtual tour guide help you make the most of your visit, and find out all about the exciting promotions and events happening today!

Step 1:

Open your Facebook Messenger app

Step 2:

Search for 'ArtScience Museum'

Step 3:

Say hi, select 'Explore', and we'll take it from there!

DID YOU KNOW?

Different coloured balls play a different role within this artwork, *Sliding Through the Fruit Field*. For example, a blue ball represents water. When the ball hits the seeds, they sprout, bud, and blossom.

ART FROM THE STREETS

Photo credit: Stéphane Bisseuil, courtesy of Magda Danysz Gallery

Closing on 3 Jun 2018 | Level 3

Nearly 200 provocative works from some of the world's most iconic street artists such as Banksy, Shepard Fairey (Obey), Futura, Invader, JR and Vhils are on show together for the first time in Southeast Asia. Tracing 40 years of Street Art, this exhibition features large-scale murals, installations, videos, prints, archival material, drawings and sketches as well as live paintings created by artists on-site. The exhibition explores the techniques and evolution of this unique and diverse art form.

INTO THE WILD

An Immersive Virtual Adventure

Now On | Free

In this multi-award winning installation, make a real-world impact on nature as you go on a virtual adventure using Tango, a cutting-edge interactive technology by Google, which transforms over 1,000 square metres of ArtScience Museum into a virtual rainforest.

Conclude with a spectacular cinematic experience about the fragile rainforest habitat, directed by Singapore's renowned filmmaker Brian Gothong Tan.

Make a real-world difference

Make a pledge to WWF and a real tree will be planted on your behalf to restore rainforests in Rimbang Baling – home to many endangered animals in Sumatra, Indonesia. You will receive photos of the tree as it grows and its exact geographic coordinates, so you can watch it grow on Google maps!

DID YOU KNOW?

Indonesia's rainforests are disappearing at a rate of 3 football fields per minute.

ARTSCIENCE IN FOCUS

ArtScience in Focus is a series of pop-up exhibitions and showcases featuring collaborations with education, art, science and technology partners. Presented quarterly, these cross-disciplinary showcases are forums for exchanging new ideas, and feature a mix of experimental displays and interactive activities.

LEAPS OF IMAGINATION: ROBOTICS + ANIMATION

19 - 29 May | 10am - 7pm (last entry at 6pm)

Ideas of art, technology, engineering and design intersect in this vibrant, pop-up concept showcase themed around robotics and animation.

Discover interdisciplinary projects that utilise video and animation, game design, and robotics in inventive ways. Exchange ideas with the bright young minds behind animation works, and find out how these innovators ideate and create through collaboration. Explore hands-on experiential zones charged with robotics challenges that take creativity as the starting point of innovation.

CONVERSATIONS

THEO JANSEN

Saturday | 23 Jun | 2pm

Nicknamed the 'Leonardo da Vinci of the 21st Century', Theo Jansen creates works inspired by biological evolution that bridge the realms of art and science. For the last two decades, he has been breathing life into *strandbeests*, large-scale kinetic sculptures designed to roam coastlines, feeding on gusts of wind.

Join us for a compelling encounter with the Dutch artist as he talks about the union of art and engineering, imagination and reality in his creatures, and shares his insights on new ideas of existence.

For more information, please visit MarinaBaySands.com/ArtScienceMuseum

ARTSCIENCE LATE

Every third Thursday evening each month, ArtScience Museum keeps its doors open until 10pm offering free performances, late exhibition viewings and special 1-for-1 entry to exhibitions from 7pm to 10pm.

ILA **I'M WILLING: (WHEN THE VISION PERSISTS, THROUGH A GLASS LIGHTLY)**

Thursday | **17 May** | **8pm**

This performance work by visual and performance artist ila examines the portrayals of gender in films, and considers how perpetuating tropes render gender dynamics in society and gender-based violence as normative.

A project in collaboration with Marla Bendini, Kin Chui and Suhaili Safari.

EZZAM RAHMAN **YOUR GHOSTS FROM YESTERYEARS** **VISIT ME ONCE IN A WHILE**

Thursday | **21 Jun** | **8pm**

In his directorial debut featuring Nabillah Jalal, multi-disciplinary artist Ezzam Rahman presents a performance of autobiographical material that speaks out, speaks back and speaks otherwise about marginalised identities and personal narratives.

For more information, please visit MarinaBaySands.com/ArtScienceMuseum

Free admission on a first-come, first-served basis.

ARTSCIENCE ON SCREEN

ANIMAL POWERS

From 30 May
Expression Gallery | Level 4

A miniseries of films featuring some of our most familiar animal friends transformed to become heroes of their own spectacular adventures. Including much-loved films from the Philippines and Malaysia, *Animal Powers* explores how cinema has imagined a world where otherwise overlooked animals and humans alike take matters into their own hands (or feet) in order to save the day.

Free admission.
