BLANTON'S

STRAIGHT FROM THE BARREL

Considered the first Bourbon ever bottled and sold as a "single barrel" Blanton's was conceived by master distiller Elmer T. Lee as an homage to Colonel Albert Blanton, who devoted his career to producing the finest whiskeys and preserving the heritage of bourbon country.

Aged for an average of eight years the "straight from the barrel" Blanton's is a full flavored higher proof whiskey with complex notes of rye, caramel, honey, vanilla and a smooth long finish.

Untamed, unfiltered, unbelievable.

THE RETURN OF OLD SCHOOL RYE

Rye whiskey was the prevalent whiskey in the United States in the late 1700's. It was almost forgotten after prohibition, but has been rediscovered. It's big, bold, and spicy, when properly made, delivering a smooth finish, making it the perfect whiskey for a classic Sazerac cocktail.
